

**LOGIE & ST. JOHN'S (CROSS) PARISH CHURCH**  
**WEEKLY NEWSLETTER: 25<sup>th</sup> April 2021**

Psalm 24 v1: *'The earth is the Lord's, and everything in it, the world and all who live in it;'*

The 22<sup>nd</sup> April is Earth Day, an annual event to demonstrate support for environmental protection. As Christians we do our best to show love, care and kindness to those we come in to contact with daily. We recognise that we don't always get it right but know that God forgives us for that but as I look out my window and see the blossom on the trees, tulips and daffodils in the garden, the bright blue sky I ask myself am I showing enough love, care and kindness to this marvellous world that was created for us? Our collective actions will have a lasting effect for the planet.

This article on the Church of Scotland website explains the impact climate change has for the world. Unfortunately, those implications have a profound effect on people in poor countries who have done the least to cause global temperatures to rise. Those that can need to change their behaviour to prevent things worsening. Our collective actions will have a lasting effect for the planet.

## FOR OUR YOUNG MEMBERS (AND YOUNG AT HEART)

'All things bright and beautiful' is a well-loved children's hymn that reminds us of how great God is.

All Things Bright & Beautiful  
All creatures great and small,  
All things wise and wonderful,  
The Lord God made them all

Hopefully, the weather will be fine over the weekend and you will be out and about. As you go give thanks to God for all things bright and beautiful. Can you make a collage (pictures or photographs) of at least 10 things on this grid? We'd love to see what you come up with. Perhaps you could bring your collage along to church and leave it for us to see or send a photograph to [administrator@logies.org](mailto:administrator@logies.org) and we will share them in a future newsletter.

Draw pictures of the following items you've observed outside!

Birds	Flowers	Squirrel
Tree	Clouds	Insect
Something rough	Something smooth	Something sticky
Something yellow	Something blue	Something purple
