

A glowing cross is centered at the top of a large, circular bokeh light effect. The light effect has a color gradient from blue at the top to yellow and orange at the bottom. The text 'HE IS RISEN!' is written in a white, hand-drawn font across the center of the light circle.

HE IS  
RISEN!

Easter brings us to the beating heart of the Christian Faith that sustains millions around the world today.

We rejoice in the Good News that Jesus died and rose again and that brings to us all, **forgiveness, hope, freedom, new life and purpose.**
