"If January is the month of change, February is the month of lasting change. January is for dreamers... February is for doers." — Marc Parent

I don't know who Marc Parent is but his words are very apt the day after our Kirk Session met with the other 5 Kirk Sessions in the Western Grouping. Wednesday night was the first time the Kirk Sessions had all come together and once we had finished our fish & chip tea (an incentive for some to ensure they were there?) we heard more about the plans to shape the Western Grouping and were asked to consider joining one of the five development groups: Strategy, Mission, Spirituality, Discipleship and Pastoral Care. Logie & St. John's Kirk Session meet again on 22nd February and we will strive to keep our congregation fully informed of what's happening.

SUNDAY 5th FEBRUARY 2023

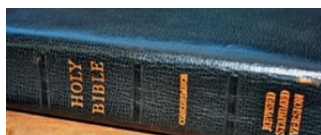

Led by Grant, we continue to enjoy worship and fellowship in the large hall for the Sundays in February

This week's Scripture reading is: Ephesians 2 v19-22

Tea and coffee will be on offer after the service. Please stay and spend a little longer and enjoy further fellowship with others.
